DRUG TESTING OFFICE DIRECTIONS/ FAQ

You are hereby ordered to provide a urine specimen for drug testing purposes. Compliance with this order requires that you:

- Report immediately to **Building 381, Wing F, Room 230**.
- Individuals will **remove all genital body piercing jewelry** prior to provide a specimen.
- **Bring your ID card and the letter given to you by PASF**. Surrender ID and letter at the testing location and remain at the testing location until you have provided your urine specimen: your ID card has been returned to you; and you have been given permission to leave by the testing monitor.
- Be observed urinating directly into the bottle, or other receptacle, provided to you for collecting the urine specimen.
- **Avoid contaminating the specimen**. Fill the bottle, or other receptacle provided to you, with a minimum of 45 milliliters of your urine, amount verified by testing monitor.

Failure to comply with this order in any way may result in disciplinary action against you under the Uniform Code of Military Justice (UCMJ).

Depending on your arrival time at the PASF, you will have up to 2 hours to report to the testing center. Please note that this 2-hour window does not apply if the testing center closes during that time. Please see the times below:
